Version 4 — Effective Date: May 2026

Please read these Terms and Conditions carefully before using the Jejetu website at www.jejetu.com and any associated mobile application (collectively, the “Platform”), operated by Jejetu (International) Limited (“Jejetu”, “we”, “us”, or “our”), a company incorporated in Gibraltar (company number 118886), with its registered office at Montarik House, 3 Bedlam Court, Gibraltar.

By accessing or using the Platform, placing an Order, or registering an Account, you (“Buyer”, “you”) agree to be bound by these Terms and our Privacy Policy, which is incorporated herein by reference. If you do not agree to these Terms, you must not use the Platform.

2. About Jejetu

Jejetu (International) Limited is an online shopping platform designed for members of the global diaspora and migrant workers who wish to provide direct, practical support to their families and loved ones in Uganda.

The Jejetu model works as follows: a Buyer based outside Uganda browses and purchases Goods through the Platform. Those Goods are sourced by Jejetu from local stores and suppliers in Uganda and delivered directly to the Buyer's designated Recipient within Uganda. No money is transferred to the Recipient. Instead, the full value of the Buyer's payment is converted into Goods and delivered in kind.

Jejetu is an e-commerce retailer, not a money transfer or financial services provider. All transactions constitute retail purchases. Jejetu is committed to supporting local economies, local businesses, and community development in the markets it serves, in alignment with the United Nations Sustainable Development Goals.

3. Eligibility and Account Registration

3.1 Eligibility

- You must be at least 18 years of age to use the Platform and place Orders.
- By using the Platform, you represent and warrant that you are legally capable of entering into binding contracts under the laws of the jurisdiction in which you reside.
- Users resident in jurisdictions where the use of the Platform would be unlawful are not permitted to access or use the Platform.
- Jejetu reserves the right to restrict access to the Platform from certain jurisdictions at its absolute discretion, including for compliance with applicable sanctions or AML requirements.

3.2 Account Registration

- To place an Order, you must register for an Account by providing accurate, current, and complete information, including your full name, contact details, and the details of your intended Recipient.
- You are responsible for maintaining the confidentiality of your Account credentials and for all activity that occurs under your Account.
- You must notify Jejetu immediately at info@jejetu.com if you suspect any unauthorised use of your Account.
- Jejetu reserves the right to suspend or terminate any Account that violates these Terms, that is found to contain false or misleading information, or where Jejetu has reason to believe that the Account is being used for unlawful purposes.
- Jejetu may require additional identity verification before permitting certain transactions. See clause 15 (AML and Financial Compliance).

4. Placing Orders

4.1 How Orders Work

When you place an Order on the Platform, you are purchasing Goods on behalf of your Recipient. You are not purchasing Goods for personal delivery to yourself. All Goods are sourced locally in Uganda and delivered to your Recipient's address or a designated collection point within the Delivery Area. No Goods are shipped internationally.

By placing an Order, you are making an offer to purchase the selected Goods at the price displayed. A binding contract is formed only when Jejetu confirms acceptance of your Order by email or through the Platform.

4.2 Recipient Details

- You are responsible for providing accurate and complete details for your Recipient, including their full name, delivery address, and contact telephone number.
- Jejetu will use the Recipient's details solely to arrange and fulfil local Delivery within Uganda.
- Jejetu will attempt to contact the Recipient to arrange Delivery where necessary. If a Recipient cannot be reached or is unavailable at the time of Delivery, Jejetu will notify you and arrange an alternative Delivery attempt or collection point where possible.
- If Delivery ultimately fails because of inaccurate or incomplete Recipient details provided by you, Jejetu may not be able to offer a refund. See clause 7.3.

4.3 Product Descriptions, Availability, and Substitutions

- Jejetu endeavours to display accurate descriptions, images, and pricing for all Goods. As Goods are sourced from local suppliers, availability is subject to change and Jejetu does not guarantee that all items will be available at the time of fulfilment.
- If a specific item is unavailable after your Order has been placed, Jejetu will contact you by email before dispatch to notify you of the unavailability and to offer either: (a) a substitution of equivalent or greater value and quality, for which Jejetu will seek your approval before proceeding; or (b) a refund for the unavailable item.
- Jejetu will not proceed with a substitution without your prior approval, except where the substitute item is clearly equivalent (for example, the same product from a different brand at the same price point), in which case Jejetu may proceed and will notify you of the substitution at the time of Delivery confirmation.
- Jejetu operates a transparent no-hidden-fees policy. The price displayed on the Platform is the price you pay. There are no additional international shipping charges, as all Delivery is local within Uganda.

4.4 Delivery Area

Jejetu currently delivers Goods within Kampala, Uganda. Orders may specify a home delivery address or a designated collection point within the Delivery Area. The available delivery zones and any applicable constraints will be communicated on the Platform at the time of purchase. Jejetu intends to expand its delivery coverage progressively as its operations grow. Jejetu will not accept Orders for delivery outside the current Delivery Area.

NEW IN v4 — *Delivery timeframes — added in v4*

4.5 Delivery Timeframes

- Jejetu aims to deliver all Orders within the Delivery Area within 1 to 3 Business Days of Order confirmation, subject to product availability, local conditions, and any circumstances outside Jejetu's reasonable control.
- Delivery timeframes are estimates and are not guaranteed. Jejetu will notify you by email if a significant delay is expected.
- Deliveries are made during standard business hours in Kampala. Jejetu will use reasonable endeavours to agree a suitable delivery time with your Recipient where requested.
- In the event of a delay caused by circumstances within Jejetu's control that exceeds 5 Business Days beyond the estimated delivery date, you may contact us at support@jejetu.com to request an update, re-delivery arrangement, or refund as appropriate.

NEW IN v4 — *Product restrictions framework — added in v4*

4.6 Restricted and Prohibited Goods

The following categories of Goods are Restricted Goods and may not be ordered through the Platform:

- Illegal or controlled substances of any kind
- Weapons, ammunition, or explosive materials
- Counterfeit or pirated goods
- Goods subject to international trade sanctions or export controls
- Any goods the importation, sale, or delivery of which is prohibited under Ugandan law

In addition, the following categories are subject to specific restrictions and may require additional verification or may not be available on the Platform at all times:

- Prescription medicines and controlled pharmaceutical products — not available through the Platform
- Tobacco and tobacco-related products — subject to regulatory assessment; availability notified on the Platform
- Alcohol — subject to regulatory assessment; availability notified on the Platform

Jejetu reserves the right to refuse, cancel, or reverse any Order that includes Restricted Goods or that Jejetu has reason to believe is intended for an unlawful purpose. No refund will be issued where an Order is cancelled because the Buyer has attempted to order Restricted Goods in breach of these Terms.

5. Pricing and Payment

5.1 Pricing

All prices displayed on the Platform reflect the cost of Goods sourced locally in Uganda. Prices are displayed in the currency selected by the Buyer. Jejetu reserves the right to update prices at any time to reflect changes in local supplier pricing or currency exchange rates; however, price changes will not affect Orders that have already been accepted.

5.2 Payment

- Payment must be made in full at the time of placing an Order using the payment methods available on the Platform. Jejetu currently accepts credit and debit card payments.
- By providing payment information, you represent and warrant that you are authorised to use the chosen payment method and that all information provided is accurate and complete.
- Jejetu uses third-party payment processors to handle transactions securely. Jejetu is not responsible for any errors, delays, or failures caused by third-party payment systems.
- All transactions are processed in accordance with applicable financial regulations, including anti-money laundering requirements. See clause 15.

5.3 Currency and Exchange

Buyers pay in their chosen currency. Jejetu converts payments into the local currency of Uganda to procure and deliver Goods. The applicable exchange rate will be displayed at checkout. Jejetu generates revenue from foreign exchange conversions as part of its business model. This is disclosed transparently and the rate applied will be the rate shown to you at the time of payment.

5.4 Taxes

Jejetu's pricing aims to ensure that the full value of the Buyer's payment is applied to the procurement and delivery of Goods. Buyers are responsible for any taxes applicable in their country of residence in connection with their use of the Platform.

6. Digital Services (Top-Ups)

In addition to physical Goods, the Platform may offer digital Services such as mobile phone or data top-ups for Recipients in Uganda. The following terms apply:

- The value of the top-up will be applied directly to the Recipient's mobile number as specified by the Buyer at the time of placing the Order.
- Top-up Services are provided in partnership with local telecommunications operators in Uganda. Jejetu does not control and is not responsible for the availability, quality, or performance of those networks or operators.
- Once a top-up Order has been processed and confirmed, it is non-refundable, except where required by applicable law or where delivery fails due to an error directly attributable to Jejetu.
- You must ensure that the Recipient's telephone number is entered correctly at the time of placing your Order. Jejetu will not be liable for failed or incorrectly applied top-ups resulting from inaccurate information provided by you.

7. Cancellations, Problems, and Refunds

7.1 Cancellation

Because Orders are fulfilled locally in Uganda by local suppliers, Jejetu's ability to cancel an Order diminishes once fulfilment has begun. You may request cancellation of an Order within 2 hours of placing it, provided that fulfilment has not yet commenced. To request cancellation, please contact us at support@jejetu.com with your Order reference number as soon as possible.

If cancellation is accepted, a full refund will be processed to your original payment method within 14 Business Days.

7.2 Problems with Delivery

All purchases on Jejetu are Goods sourced locally and delivered to Recipients in Uganda. As Goods are delivered locally rather than shipped internationally, Buyers cannot physically inspect or return Goods themselves.

If your Recipient reports that their Order has arrived damaged, incomplete, or significantly different from what was described, please contact us at support@jejetu.com within 7 days of Delivery. We will investigate promptly and do our best to resolve the issue, which may include a re-delivery, substitution, or refund at our discretion. We may ask for supporting information such as photographs from the Recipient, although the provision of photographs is not a condition of us investigating or resolving your complaint.

7.3 Failed Delivery

- If Jejetu is unable to deliver an Order to the Recipient after reasonable attempts (for example, because the Recipient cannot be reached or the address provided is incorrect), Jejetu will notify you and arrange an alternative collection point or re-delivery where possible.
- If Delivery ultimately fails because of inaccurate or incomplete Recipient details provided by you, Jejetu may not be able to offer a refund.
- If Delivery fails because of circumstances within Jejetu's control, a full refund will be issued to your original payment method within 14 Business Days.

7.4 Refunds

- Refunds for eligible failed deliveries or unresolvable order problems will be processed to your original payment method within 14 Business Days of the refund being approved.
- Digital Services (such as top-ups) that have been successfully delivered are non-refundable.
- Jejetu reserves the right to offer a store credit or re-delivery in lieu of a monetary refund in certain circumstances, but will not impose this where a monetary refund is your preference and you are eligible for one.

- Refund requests should be submitted to support@jejetu.com with your Order reference number and a description of the issue. Jejetu will acknowledge your refund request within 2 Business Days and will communicate its decision within 14 Business Days.

8. Impact Projects and Donations

Jejetu offers Buyers the opportunity to contribute to Impact Projects — community development and humanitarian initiatives supported by Jejetu in the markets it serves. The following terms apply to all Impact Project contributions:

- Contributions to Impact Projects are voluntary donations and do not constitute purchases of Goods or Services.
- Donations are processed through the Platform using the same payment methods available for Orders. All donors must hold a verified Jejetu Account.
- Donations are used to support the specific project selected by the Buyer, subject to operational and logistical constraints. Jejetu will use reasonable endeavours to apply donations as directed but cannot guarantee specific outcomes for individual projects.
- Jejetu is transparent about how Impact Project funds are managed. Project descriptions, funding targets, and progress updates will be published on the Platform. Jejetu may retain a reasonable administration fee from donations to cover platform and operational costs; this fee will be clearly disclosed at the point of donation.
- Jejetu may engage volunteers, NGOs, and aid agencies to assist with the delivery of Impact Projects and may use its local fulfilment network to distribute goods, equipment, and supplies to beneficiaries.
- Donations are generally non-refundable once processed, except where there is a material error in processing, where a project does not proceed and an alternative cannot be agreed, or where fraud is confirmed.
- All Impact Project contributions are subject to Jejetu's AML and KYC requirements as set out in clause 15. Jejetu reserves the right to refuse donations where it cannot complete required verification or where it has reason to suspect financial crime.
- Jejetu's full Impact Projects Policy is available on request from support@jejetu.com.

NEW IN v4 — AML/KYC reference added to Impact Projects — v4

11. Privacy and Data Protection

Jejetu is committed to protecting the personal data of both Buyers and Recipients. Our collection, use, and storage of personal data is governed by our Privacy Policy, which is available on the Platform and incorporated into these Terms by reference.

By using the Platform, you consent to the processing of your personal data in accordance with our Privacy Policy and applicable data protection legislation, including the Gibraltar Data Protection Act 2004 (as amended).

You confirm that you have obtained any necessary consent from your Recipient to share their personal details (including name, address, and telephone number) with Jejetu for the purpose of fulfilling your Order. You must not provide Jejetu with a Recipient's personal details without their knowledge and consent.

Where Jejetu is required by law to disclose personal data to regulatory or law enforcement authorities, it will do so without notice to you where the law requires or permits this.

12. Third-Party Services and Links

The Platform may contain links to third-party websites, services, or content provided for convenience only. Jejetu has no control over third-party content and does not endorse or accept responsibility for any third-party websites, products, or services.

Jejetu works with local third-party suppliers, logistics partners, payment processors, and telecommunications operators in Uganda and elsewhere to fulfil Orders. Your use of any third-party services may be subject to their own terms and conditions. Jejetu is not responsible for the acts or omissions of these third parties, except to the extent that any failure to fulfil an Order is directly attributable to Jejetu's own negligence or breach of these Terms.

13. Disclaimers and Limitation of Liability

13.1 Disclaimers

The Platform and all Goods and Services are provided on an “as is” and “as available” basis. Jejetu makes no representations or warranties, express or implied, as to the uninterrupted availability of the Platform, or as to the quality or fitness for purpose of Goods sourced from local suppliers beyond the quality standards Jejetu applies internally to its fulfilment operations.

13.2 Limitation of Liability

To the fullest extent permitted by Gibraltar law, Jejetu shall not be liable for:

- Any indirect, incidental, special, consequential, or punitive damages arising out of or in connection with your use of the Platform.
- Loss of profits, revenue, data, goodwill, or business opportunity.
- Any failure or delay in Delivery caused by the acts or omissions of local logistics partners, local suppliers, or telecommunications operators, where Jejetu has exercised reasonable care in selecting and instructing those parties.
- Losses caused by circumstances beyond Jejetu's reasonable control, including force majeure events (see clause 19.5).

Nothing in these Terms shall limit or exclude Jejetu's liability for: (a) death or personal injury caused by its negligence; (b) fraud or fraudulent misrepresentation; or (c) any other liability that cannot be excluded or limited under Gibraltar law.

Where Jejetu's liability cannot be excluded, it shall be limited to the total value of the specific Order giving rise to the claim.

14. Indemnification

You agree to indemnify, defend, and hold harmless Jejetu (International) Limited, its officers, directors, employees, agents, and licensors from and against any claims, liabilities, damages, losses, costs, and expenses (including reasonable legal fees) arising out of or in connection with: (a) your use of the Platform in breach of these Terms; (b) your violation of any applicable law or regulation; (c) inaccurate or incomplete Recipient information provided by you; or (d) any fraudulent or unlawful act or omission by you in connection with your use of the Platform.

15.1 Identity Verification

- Jejetu may require Buyers to provide identity verification documentation (including government-issued photo ID and proof of address) before permitting certain transactions or account activity.
- Where a Buyer makes a single transaction or cumulative transactions within any 30-day period that exceed a defined threshold, enhanced due diligence will be applied. Jejetu will notify the Buyer where enhanced verification is required.

- Buyers must not use the Platform to procure or deliver Goods for any unlawful purpose, including circumventing international sanctions, money laundering, or terrorist financing.

15.4 No Tipping Off

If Jejetu reports or is considering reporting suspicious activity in connection with your account or transactions, you must not be informed of this where such notification would constitute a ‘tipping off’ offence under applicable law. Jejetu will comply with all applicable legal requirements in this regard.

NEW IN v4 — *New clause — Anti-Bribery and Corruption — added in v4*

16. Anti-Bribery and Corruption

Jejetu has a zero-tolerance policy on bribery and corruption. This policy applies to all aspects of Jejetu's business, including its relationships with Buyers, Recipients, suppliers, and partners.

Jejetu may update these Terms at any time. Updated Terms will be posted on the Platform with a revised effective date and version number. Your continued use of the Platform following the posting of updated Terms constitutes your acceptance of the changes. It is your responsibility to check these Terms periodically. Jejetu will endeavour to notify registered Buyers of material changes to these Terms by email.

18. Termination

Jejetu reserves the right to terminate or suspend your Account and access to the Platform at any time, with or without notice, if you breach these Terms, if Jejetu has reason to believe that your use of the Platform poses a risk to Jejetu, other users, or third parties, or if required to do so for compliance with applicable law.

You may terminate your Account at any time by contacting Jejetu at info@jejetu.com. Termination of your Account will not affect any rights or obligations that arose prior to termination, including any outstanding Orders or pending refunds.

19. Governing Law, Dispute Resolution, and General

These Terms and any dispute or claim arising out of or in connection with them (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of Gibraltar, without regard to its conflict of laws provisions.

Jejetu will notify you as soon as reasonably practicable of any force majeure event affecting your Order and will use reasonable endeavours to fulfil your Order once the force majeure event has passed.

19.6 Severability

If any provision of these Terms is found to be invalid, unlawful, or unenforceable, that provision shall be deemed severed from the remaining Terms, which shall continue in full force and effect.

19.7 Waiver

Jejetu's failure to enforce any provision of these Terms shall not constitute a waiver of its right to enforce that provision at a later time.
